Conjured up one 'golden afternoon' in 1862 to entertain Alice Liddell, the daughter of the dean of Carroll's college, the dream worlds of nonsensical Wonderland and back-to-front Looking-Glass kingdom depict order turned upside-down. Following the white rabbit into his warren, Alice falls into a world where croquet is played with hedgehogs and flamingos, a baby turns into a pig, time runs amok at the Mad Hatter's tea-party, a chaotic game of chess makes Alice a Queen and the Mock Turtle and Gryphon dance the Lobster Quadrille. But amongst the anarchic humour and sparkling wordplay, unforgettable characters, puzzles and riddles, are poignant moments of nostalgia for a lost childhood. Original and experimental, adapted into countless film and television versions as Alice in Wonderland, the Alice books give readers a window on both child and adult worlds.

This is the most comprehensively annotated edition available and includes the manuscript version of Alice's Adventures Under Ground and Carroll's 1887 essay "Alice" on the stage'.

Lewis Carroll (1832-1898) was the pen-name of the Reverend Charles Lutwidge Dodgson. Educated at Rugby School and Christ Church, Oxford, Carroll was appointed lecturer in mathematics in 1855, where he spent the rest of his life. In 1861 he took deacon's orders, but shyness and a constitutional stammer prevented him from seeking the priesthood.

If you enjoyed Alice's Adventures in Wonderland you might like Mikhail Bulgakov's The Master and Margarita, also available in Penguin Classics.

FAQ

When will my order arrive?

Dispatch times may vary for each item even if they are ordered at the same time. It really depends on the book -- you can see the relevant info on its page. You'll get a jolly email when your item has been dispatched so you can start making room on your shelves for your new books!

Customers in Brazil: Please be aware that we have temporarily disabled the ability for orders to be sent to Brazil. This is due to customs issues in the country, which are outside of our control and are greatly impacting postal services. We hope to be able to re-enable deliveries to Brazil in the near future.

Customers in Argentina, Canada and South Africa: Please be aware that we are currently experiencing problems with deliveries into these countries. Unfortunately, due to issues outside of our control, postal services are currently being impacted and deliveries will take longer than usual. We have confidence that deliveries will still reach our customers but cannot guarantee how long this will take.

Once your order has been dispatched, we offer the following times for delivery in business days (Mon-Fri):

What payment types do you accept?

We accept payments made with the following credit cards: VISA, MasterCard, AMEX, VISA Debit, VISA Delta, Maestro, Electron. We are also happy to accept PayPal. Unfortunately, we are unable to accept JCB.

Once you have entered your details online through our secure server, you have the option to store the card for use in the future, subsequent orders can be placed simply by logging into your account using your email address and password and selecting a credit card option from the list of those previously used - you would still have to enter the card's CVV number at this point.

We accept payments in Sterling, Euros, US Dollars, Canadian Dollars, Australian Dollars, NZ Dollars, Singapore Dollars, Hong Kong Dollars, Czech Koruna, Israeli Shekel, Japanese Yen, Norwegian Krona, Polish Zloty, Swedish Krona, Swiss Franc, Thai Baht, Danish Krone, Hungarian Forint, Taiwan New Dollar, South African Rand, Mexican Peso, Argentine Peso, Chilean Peso, Malaysian Ringgit, South Korean Won and Indonesian Rupiah. - there is a select currency dropdown menu at the top right of the homepage to change the currency display into the one most appropriate for you. We charge in the currency selected.

We're sorry we currently cannot take payment with Amex cards in Canadian Dollars, Czech Koruna, Israeli Shekel, Norwegian Krona, Polish Zloty, Swedish Krona, Swiss Franc and Thai Baht, we hope this will change soon.

How much is delivery?

We are delighted to be able to offer free delivery on all direct orders, regardless of size, value or destination.

Can you offer a specific day for when delivery will be made?

Sadly not, the majority of deliveries are handled by domestic postal services, and we cannot offer a definitive time or date for when deliveries will be made.

Are items dispatched together, or in separate packages?

We find it more efficient to dispatch items separately. As we receive items from a number of different suppliers, who will invariably deliver items at different times of the day, and sometime, on different days entirely, we dispatch items as soon as they arrive, as opposed to delaying an order whilst we wait for an order to arrive in its entirety.

Can you provide tracking numbers for packages?

The majority of orders will not be trackable once they have been dispatched to customers. However, high value books will be dispatched through DHL, UPS or Interlink, and these can be tracked.

Can I cancel and return my order?

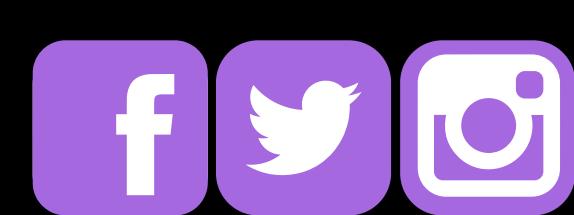

Sure, you can cancel your order within 30 days of receiving it by completing our online cancellation form. Once you've cancelled the order, you must send the parcel back to us within 14 days. Once we get it, you'll be refunded the price of the item(s) within 14 days. You'll be responsible for the cost of returning the item to us, unless we delivered it to you in error or it is faulty.
It is your responsibility to ensure safe return of the item(s) to us. If you return a high-value item, we recommend you use a recorded delivery service. We'll refund the same means of payment as you used to make your purchase.

The price of my pre-ordered book has dropped, can I receive a refund for the difference?

Sadly we are unable to offer retrospective refunds once an order has been placed and the sale price agreed between ourselves and the customer. However, pre-orders can be cancelled as long as they have not yet been dispatched to customers.
